Meeting held at Cambridge Town Clerk Office

Attendees:

Jill Richardson

Michael Moser

Martha Brown

Pierre Lemieux

- Member term length (dates) were documented. Martha to email Pierre with this list.
- New chairman voted in was Michael Moser, who will take over Martha Brown's responsibilities. Martha will still attend future CPC meetings.
- New clerk appointed will be Pierre Lemieux (hence, these meeting minutes)
- It was suggested we document meeting minutes electronically. Pierre has therefore decided to setup a Google Site which will allow uploading documents and posting meeting minutes. This will be temporary until the new Town of Cambridge website is up, at which point the docs and info will be migrated to it. The URL for the temporary site is: <http://sites.google.com/site/cambridgeplanningcommission/>
- We learned from Michael Moser that on November 8th 2010, the Jeffersonville Board of Trustees will meet. We will send at least one rep to learn what their plans are and if we can collaborate on various projects, and suggest a "downtown" designation for Jeffersonville village. Note- the Cambridge Town plan was recently updated and can be found online via a search for "LCRPC VT" (Lamoille County Regional Planning Commission).
- It was mentioned we should make an effort for a few members to attend the next VLCT Zoning Workshop in Montpelier when the next session gets announced. Martha mentioned we can get the town to fund attending such workshop.
- A new FY11 Municipal Planning Grant of \$8000 is available by application. The deadline for submitting our application is 11/30/2010. We will meet with Steve from the Lamoille County Regional Planning Commission on 11/22 to determine possible projects. In the mean time, this team will brainstorm possible projects, including, but not limited to; sidewalks in Cambridge village, roundabouts, downtown designation for one or both villages, village view as a whole (a new Welcome to Jeffersonville sign), etc.
