

# 10/15/2012 Meeting Minutes

posted Nov 15, 2012, 3:32 AM by Pierre Lemieux

## Attendees:

- Michael Moser
- Jill Richardson
- Lynn Sawyer
- Werner Bartlau
- Ron Elliott
- Larry Wyckoff

Voted to take no action on Smugg's minor application for new electric compressor that will replace 3 of the 14 diesel-fired compressors for snowmaking.

Voted to approve September meeting minutes.

## Town Plan Update Discussions:

- Discussed street lights. Jill Richardson gave an overview of the workshop on Energy, and provided some handouts and a guidebook published by the Vermont Natural Resources Council (VNRC) on Energy Planning & Implementation for Vermont communities.

## Action items:

- Flood hazard regs update - Pierre to review E911 list overlay with SFHA to determine if letters to property owners and meetings are needed.

- Michael to talk to Bonnie Waninger of LCPC re the following;

Town plan update; should the structure of the town plan be redone to follow the state of VT's report?

Flood regs; should we work on updating the statute and process then attempt revision to model 2 if applicable or attempt adoption of model 2 if applicable along side with town plan update? Note- Larry Wyckoff of Cambridge Select Board wants to ensure we will minimize bureaucracy with what we adopt.

- Volunteers were assigned to the following town plan sections for updates:

Transportation: April Edwards

Affordable housing: Larry Wyckoff

Werner Bartlau: Agriculture & forest, and Natural Resources/Earth Resources/Aesthetic Preservation

- Decided on the first town plan update community input meeting date for 12/11/2012 at 18:30, which will focus on Education, Public Facilities & Services, and Child Care. Each CPC member should read and be familiar with those sections prior to 12/11.
