- Ron Carter (Cambridge Arts Council)
- Lynn Sawyer
- Pierre Lemieux
- Werner Bartlau
- Seth Jensen (LCPC)
- John Dunn
- April Edwards
- Dennis Shanley

Voted to approve last November's meeting minutes (now posted on Google site).

News:

- Municipal Planning Grant (MPG) was approved for Town of Cambridge. Seth Jensen from LCPC will assist with Cambridge town plan update using funds from this grant.
- Municipal Planning Grant (MPG) was also approved for Jeffersonville Village. The team will identify duplicate areas that can be worked once instead of twice.

Seth Jensen provided an overview of the town plan update process. At least one hearing will be conducted by CPC. Another one will be done by Cambridge Village trustees. And two (2) hearings by the Cambridge selectboard. One of the selectboard hearings can be combined with the Cambridge village trustees hearing.

Straw poll - Various options regarding the timeline:

- 1) New draft by August
- 2) Re-adopt the 2008 plan while re-doing the new town plan
- 3) Plan expires while doing the new updated town plan

Team voted for option 1, which will most likely require more than one CPC meeting per month until the new plan is ready to be adopted.

Action Items:

- John Dunn and April Edwards will work writing the recreation section
- Pierre to meet with Dennis Shanley to finalize the communications section (drafted by Werner Bartlau)
- Carol Plant to provide input for the arts and culture section
