Reviewed and approved the April 1 mtg minutes.
Reviewed and approved March 18 mtg minutes.

Jill R and **Michael M** will work with Pierre L to ensure that the google docs site hosting the PC mtg minutes is maintained and updated by the PC.

Werner B did send the ltr in support of the Sterling Ridge Cabins Act 250 development forward to the Dist 5 env resources board.

Michael M will send the April 1 mtg minutes to Jill R for her records.

Michael M did reach out to the CES school board for EDU section input. This input is forthcoming.

Seth J led the review of the revised (first round) Natural Resources and Agricultural Resources section of the Town Plan. The PC managed to get through this entire section. Comments and discussion are being incorporated and will be sent back out the group.

Status of all Sections of the Town Plan that have been under review thus far:

- Historic, scenic and Archeological resources section: must finish “scenic” section review. Otherwise, completed revised draft.
- Education section: revised and awaiting CES school board input for final draft.
- Community Profile section: completed revised draft.
- Community facilities & services: needs one more round of review by the PC- **to be accomplished electronically before May 6th mtg.**
- Natural and Ag resources section: Completed revised draft

All PC members will review housing section and provide edits/comments to Seth before May 6th and/or on May 6th.

May 6th draft agenda: Maura Collins from VHFA to attend and review Housing section with PC. Scenic Section review if time allows.
