Meeting opened at 6:25

Present: Dana Sweet (Chair), David Vaughan, Larry Wyckoff – Selectboard
Meredith Brikett CCTA

Meredith Brikett explained that the major route between Jeffersonville to Burlington is not served by major transportation. Underhill and Jericho are very supportive of the idea and will put it before the voters at town meeting.

The transportation would run Monday through Friday. The locations for stops have not been worked out yet. There would be a need for parking. The charge would be \$2.00 for one way, round trip would be \$4.00. It is anticipated ridership would be 70 per day. The cost would be \$210 – 215,000 per year. Startup is expected for Fall of 2013.

Dana Sweet asked if it would be a one-time deal – maybe for three years \$5,000 to show commitment. Need letter of support from the town. David Vaughan asked if they had done a financial impact study.

David Vaughan asked who would be responsible for paying for the lighting of the parking area; if the town had to plow and pay for insurance because of the cars there.

Larry Wyckoff -- \$60.00 a day.

Larry asked about 20%, she said it would go on forever. David Vaughan wants a financial study to see how it benefits Lamoille County.

Dana said we are right in between Johnson and Underhill.

Larry thinks it should go to the voters in an article.

She would need a letter saying we will bring it to the voters.

Amanda Holland, bridge by Butlers.

Motion to adjourn 8:30 p.m.
