**SELECTBOARD MEETING  
MONDAY, DECEMBER 3  
TOWN CLERK'S OFFICE – JEFFERSONVILLE**

**AGENDA:**

6:30 P.M. VTrans – Bridge over Seymour River

7:30 Jonathan Wood, Forester

Present: Dana Sweet (Chair), David Vaughan, Larry Wyckoff – Selectboard  
Jane Porter – Town Clerk;  
Gary Sweeny, Chris Williams -- State of Vermont

Chris Williams presented for the State on Bridge #28 Town Highway # 46 – Bridge from Cambridge to Underhill. The beams are not in good shape. The 14' width is below standard and the superstructure rating is poor (4). a lower rating could close the bridge. There are three options. Superstructure replacement would extend life 30 years, Option 2 and 3 would be 80 year fix.

If we do the total bridge with detour the local share would be 5% instead of 10%. The bridge would be closed for 28 days. For the three options the cost would be \$623,500, \$898,900 or \$1,162,500. David Vaughan made the motion to go with the \$1,162,500. Larry Wyckoff seconded, so voted. The bridge would be scheduled to be done the middle of July to August 2014 depending on the federal money.

Jonathan Wood – 7:30

Woody had a map showing the density of the white pine and the difficulty of getting it out. It does not have the value he originally thought.

The Board will have Woody get a logger rather than going out to bid. They feel that this is a better way. He will contract with a logger by the thousand. Woody will deal with the mills.

David Vaughan made the motion to adjourn at 8:30, Larry Wyckoff seconded, so voted.
