Bill McKone was in concerning the Poland Bridge and the recent letter from the State of Vermont concerning the status of the bridge. He would like approval to explore options of doing the bridge. Dana Sweet said State inspection showed; it was design rather than workmanship. Bill wants to explore options. Dana Sweet said it was very clear in the "Orange" book that if we do not open the bridge to through traffic it will be a class four road and not eligible for state grant money. We cannot jeopardize our grant money.
