CAMBRIDGE, VT – PrepareAthon Spring 2016 Release

The Cambridge Office of Emergency Management and several community partners are participating in the national PrepareAthon, a FEMA program to raise awareness and readiness for natural and manmade disasters. The national push for the PrepareAthon will be on April 30th, which will serve as the kick off date for a week long Cambridge campaign.

Vermont has a great program called VTALERT to provide information during a large scale emergency. Did you know you can receive weather, traffic and disaster (and MANY other) alerts by text message, email or phone call for FREE?

Sign up at www.vtalert.gov. In less than 10 minutes you can be signed up to receive messages at your convenience where you work, live or play. To get more information, stop by the Cambridge Rotary “Pie For Breakfast” on May 7th between 9 and 11am at the Cambridge Elementary School. You can also find information on the Cambridge Emergency Management [facebook](#) page or by speaking with any of our community partners. In addition to the Pie for Breakfast, we will be sharing information at the Rotary, the Green Mountain Technology and Career Center on May 6th and through the Cambridge Elementary School.

Our goal is to get 300 people in Cambridge signed up by May 14th. Help us meet our goal of creating a safer and more disaster ready community.

Thanks to our partners: Cambridge Area Rotary, Cambridge Fire Department, Cambridge Elementary School, Green Mountain Technology and Career Center – National Technical Honor Society, Cambridge Selectboard and Town Clerk and the Federal Emergency Management Administration. We also appreciate the support of the American Red Cross, Smuggler’s Notch Area Chamber of Commerce, Cambridge Rescue, Cambridge Village Trustees, Jeffersonville Trustees, the Jeffersonville 2nd Congregational Church, Waterville Emergency Management, the Lamoille County Planning Commission and involved citizens.
