

# VTRANS ON-ROAD BICYCLE PLAN

Improving Vermont roads to work better and be safer for all bicyclists – families, commuters and recreational riders.

## Join us to help improve bicycling in Vermont

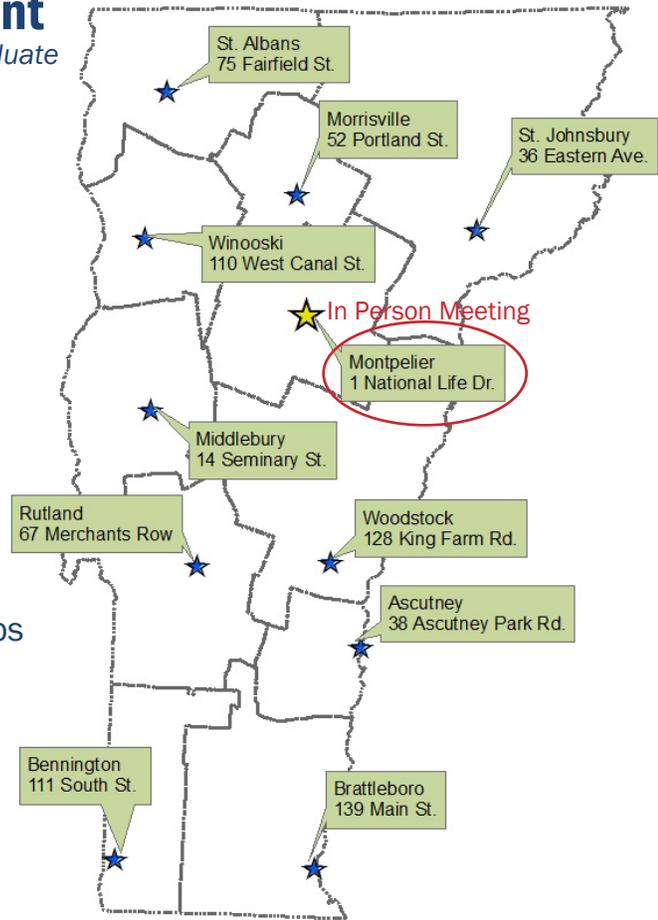

The Vermont Agency of Transportation (VTrans) seeks your help to evaluate high-use bicycle corridors. Spread the word to friends and neighbors!

**WHEN:** December 1, 6 - 8 pm (Snow Date: December 8)

**WHERE:** 1 National Life Drive, Montpelier - In Person  
OR: Attend a live webinar viewing session at your local Regional Planning Commission office  
OR: Attend from home using the webinar link available at: [vtrans.vermont.gov/planning/bikeplan](http://vtrans.vermont.gov/planning/bikeplan)

**WHAT:**

- 1) Learn about the statewide VTrans On-Road Bicycle Plan Phase II
- 2) Review identified bicycle safety hotspots
- 3) Learn about upcoming opportunities to provide feedback on what makes roads feel comfortable and to identify network gaps

## Ways to get involved!

- Participate in an online survey on draft road evaluation criteria to determine comfort levels
- Participate via an interactive crowdsourcing map to provide feedback on the draft gap analysis
- Provide input during open comment periods
- Sign up for project updates at [vermontbike@gmail.com](mailto:vermontbike@gmail.com)

### Phase 1: (Completed)

Created priority bicycle corridors based on bicycle use

### Phase 2: (Underway)

Identify on-road facility gaps for the high use/priority corridors and bicycle safety hot spots on all state roads

### Phase 3: (TBD)

Identify improvement strategies along high-use bicycle corridors and develop an implementation plan

**GET INVOLVED!**
